
The Initiative

The One Planet Fellowship seeks to build a vibrant, highly connected and intergenerational network of African and European scientists equipped to lead research on the multi-dimensional impacts of climate change on Africa's agriculture and food systems while also identifying and developing innovative solutions to effectively respond to the challenges, needs and priorities of diverse population groups across the continent.

Eligibility criteria

To be eligible for the One Planet Fellowship, the applicants should:

- be a citizen of the following countries: **Algeria, Benin, Burkina Faso, Côte d'Ivoire, Ethiopia, Kenya, Malawi, Mali, Morocco, Nigeria, Senegal, Tanzania, Togo, and Zambia**
- be 40 years of age or younger by February 15, 2021
- have completed at least a master's degree or equivalent in any discipline relevant to climate change with focus on agriculture and food systems
- reside in Africa and be actively engaged in research, policy and/or practice relevant to climate change and Africa's smallholder agriculture

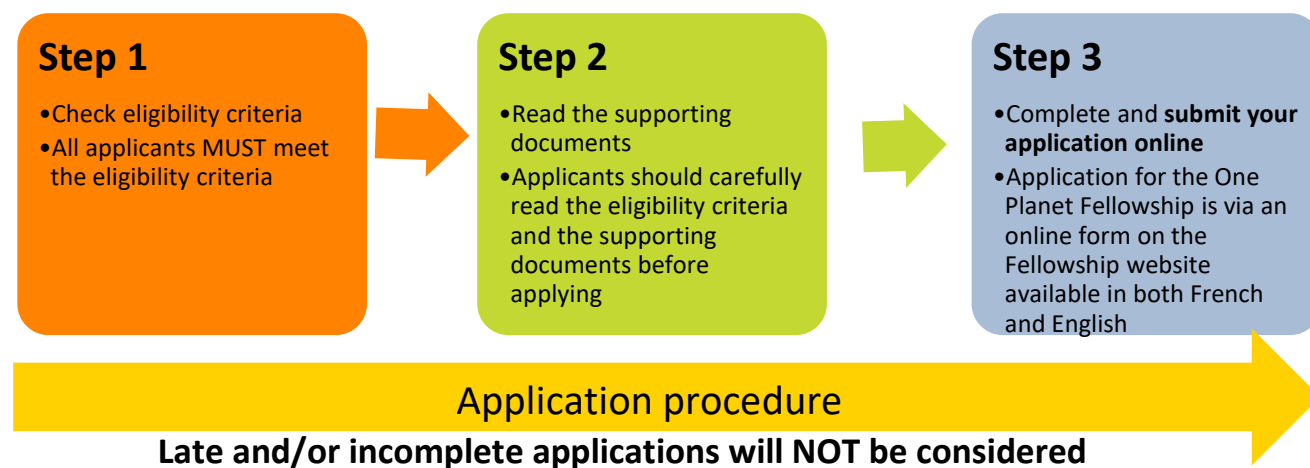

Pre-conditions for participation in the One Planet Fellowship

The successful applicants will be confirmed upon:

- submission and verification of the details of relevant authorities and formal endorsement by the home institution
- submission and verification of the required documentation to confirm the Fellowship offer. This documentation primarily includes copies of passport and academic certificates obtained
- acceptance of the AWARD's code of conduct
- timely, official communication to AWARD on the participation in any other capacity building programs

Application Procedure

The call for the next round of the One Planet Fellowship **opens on November 30, 2020 and closes on February 15, 2021**. Late and/or incomplete applications will **NOT** be considered. The application process will include the following steps:
